

DocuPunch

○○○○○○○
+PLUS

**Automatic
punch**

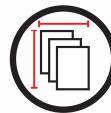

The **DocuPunch® +PLUS** is the original and world's best-selling automatic punch. Able to punch up to 45 000 sheets per hour, It is easy to use – load the paper, turn it on using the digital keypad and walk away. This versatile, ergonomically designed time-saver offers hands-free punching of pre-collated books, presentations, reports and even tabbed sheets for documents up to 14" wide. This unit comes with lockable heavy casters wheels and can be set up in minutes anywhere in your shop.

FEATURES & BENEFITS

- **Versatile:** Punches wide variety of paper stocks, covers and even tabbed sheets kept in perfect pre-collated order.
- **Efficient:** Speed up to 45 000 sheets per hour with clean, perfect holes for finishing operations. 3 selectable speeds (50, 60 or 75 cycles / minute) & selectable byte thicknesses (0,4 to 1 mm) to offer more productivity and more security for a wider range of punching jobs.
- **Easy-to-use:** Automatic operation, just load the feeder and press the start button.
- **Ergonomic design:** Allows all operations, including, punch die changes, to be performed quickly and easily from the front of the machine with an integral storage space for 3 dies.
- **Wide range of heavy duty punching dies:** Wire-O® wire; Plastic Coil; Plastic Comb; VeloBind®; 2, 3 & 4-ring binder; and many more. Guide posts for perfect alignment, quick pin access and flanged holes to help clear out waste and provide longer life.
- **Safety:** Built-in features to help avoid paper jams and increase operation safety.

Sheet Size

Min. BE* 5.5" x 5.5"
Max. BE* 14" x 12"
*BE = Binding Edge

Sheet Weight

Min: 20 lb bond
Max: 110 lb index

Sheets per Hour

Up to 45 000

Punch Die Patterns

Wide selection of interchangeable dies and backward compatibility with the previous range of dies

Power Requirements

110/120 V, 60Hz, 1ph

New easier-to-use colour touch screen interface
